

01-Cont'd sub 21  
extracellular domain of the human neu gene product, said product being detectable in a biological fluid by its immunoreactivity with a monoclonal antibody or immunoreactive fragment thereof produced by a hybridoma cell line of any of claims 16, 17 or 18.

26. (New) An immunoreactive fragment of the antibody of claim 25.
27. (New) A hybridoma cell line producing the antibody of claim 25.

#### REMARKS

Claims 16-24 are allowed. Applicants have hereinabove added new claims 25-27. Support for claim 25 can be found in the specification at, *inter alia*, page 6, lines 10 through 20, page 16, lines 12-20, page 12, lines 1 and 2, and page 20, line 33 through page 21, line 3. Support for claim 26 can be found in the specification at, *inter alia*, page 12, lines 1 and 2. Support for claim 27 can be found in the specification at, *inter alia*, page 16, lines 10-20. Applicants maintain that the addition of these new claims raises no issue of new matter and respectfully request entry of this Amendment.

If a telephone interview would be of assistance in advancing the prosecution of the subject application, applicants' undersigned attorneys invite the Examiner to telephone them at the number provided below.

Applicants: Walter P. Carney, et al.

U.S. Serial No.: 08/488,180

Filed: June 7, 1995
